## NATIONAL GUARD DOWNED BY FAST SCHOFIELD TEAM

First Infantry Takes Locals  
Into Camp By a Score  
of 21 to 6

(Special Star-Bulletin Correspondence)  
CASTNER, December 19.—Bill Rosa and his husky pigskin pushers of the National Guard team journeyed out to Castner today and were triumphed by the 1st Infantry team to the tune of 21 to 6. The National Guard team was misused the services of Doc Peden and the fast Austin, and that may account for some of the short end of the score; but Lieut. Everett's charges have been working hard ever since the Guard defeated them at the beginning of the season and there was no stopping them today.

At no time was the game in doubt, the Guard's only score came after a fumble by the 1st Infantry in the second half followed by two penalties which placed the ball on the 1st Infantry two-foot line. From there, Brash carried the ball over. Rosa failed at goal. The only other time that the Guard figured in the offense was when Brash pulled off a run of 45 yards, and when the Guard executed a couple of pretty forward passes. The Regulars got one touchdown in the first half and two in the second. The day was fine for football; a light breeze across the field made it about as near ideal football weather as the island ever boasts. The sun was obscured, and the slight surges of liquid sunshine interfered in no way with fast play.

Guard Starts Rush.  
At 2:45 the Guard team kicked off to the First's 20-yard line. By short dashes off tackle the First worked the ball to the Guard's 45-yard line where they lost the ball on an incomplete forward pass. The Guard by wide end runs in which Brash figured carried the ball to the First's 25-yard line. Guard was penalized 20 yards for illegal use of hands. The Guard tried a forward pass, which was intercepted by Greenway for the 1st Infantry. Steiger on fake kick carried the ball to center of field. Guard held, and Steiger punted to Guard's 15-yard line. Guard could not gain and punted to Greenway on First's 15-yard line. Zunk for the First was relieved by Mayer. Brown for the Guard was hurt and went to side lines. First quarter ended with ball in 1st Infantry's possession on their own 30-yard line.

The First started the second quarter with a rush. A 15-yard run by Snyder placed the ball on the Guard's 40-yard line. Boughan carried from here through the Guard line for a touchdown, which Greenway converted into a goal. Score: 1st Infantry 7, Guard 0.

Greenway kicked off to the Guard's 25-yard line and Rosa ran it back to the center of the field. Guard could not gain and was forced to kick. First returned the kick, and it was O'Gard's ball on their own 30-yard line. Brash made a pretty end run for 45 yards and was almost clear for a touchdown, but was thrown on the First's 25-yard line. The Guard could not gain and the half ended with the ball in the Guard's possession on the 1st Infantry's 25-yard line.

Brash and Rosa Gain.  
Second half: First kicked off to Guard. Brash and Rosa carried ball to First's 40-yard line, but Guard lost ball on downs. First carried ball to Guard's 20-yard line, then lost it on downs. Guard punted, and First returned. Guard wanted short and was penalized for tackling fair catch. Quarter ended with ball in First's possession on Guard's 20-yard line. On the first play in the last quarter Snyder carried the ball 20 yards for the First's second touchdown, and then kicked goal. Score: 1st Infantry 14, Guard 0.

Guard kicked off to First. Greenway fumbled on his own 15-yard line. Guard's ball. First penalized 10 yards for offense. First penalized half the distance to goal for offense. Brash carried ball over for Guard's first touchdown. No goal. Score: 1st Infantry 14, Guard 6. First kicked off to Guard. Guard could not gain and punted. Kick was blocked, and it was First's ball on Guard's 40 yard line. First carried ball by short plunges toward Guard's goal, and Tuszyneke carried it over. Snyder kicked goal. For the remaining few minutes the ball was in the air on exchange of punts, and the game ended with the ball in the 1st Infantry's possession on the Guard's 40-yard line. Score: 1st Infantry 21, Guard 6.

## New Schedule Announced For Basket Games

The Y. M. C. A. senior basketball committee has drawn up a schedule for the second series which will open on January 11 with a double-header. The same four teams will continue, and the three civilian teams, the Tigers, Cosmopolitans and Dormitory, will strengthen up in an effort to defeat the Service team, which won every game in the first series, which ended last week.

A meeting of the Dormitory team will be held at 7 o'clock Wednesday evening to lay plans for the second series. The name of the club doubtless will be changed as the team no longer is composed of men from the Y. M. C. A. dormitory as was the original aggregation. Frank Midkiff, coach at Punahou, has signified his willingness to play on this team and probably he will have one or two other Punahou men with him.

The Service quintet is practicing hard with the proposed trip to the States in sight and doubtless will give some fine exhibitions during the second series. John Gomes, captain of the Cosmopolitans, has added Harry Melim to his team, and is angling for one or two more good players. Capt. Bill Melnecke of the Tigers will have a reinforced team for the second series and some good play is looked for in all the matches.

A complete schedule for the second series is as follows:

## POTTS DESIRES COIN FOR BOUT WITH WILLIAMS

(Special Star-Bulletin Correspondence)  
SCHOFIELD BARRACKS, Dec. 20.—Joseph Francis Podsimik of the Signal Corps company at Fort Shafter, known in the ring as Joe Potts, will not meet Rufus Williams in the ring at the big exhibition to be held at Schofield on New Year's afternoon.

This was settled yesterday when Chaplain Ignatius Fealy received a letter from Potts stating that he would not meet Williams unless he were guaranteed \$200 in cash at the conclusion of the contest. Chaplain Fealy, who has no intention of evading the law in this way, immediately scratched Potts' name off his long list of willing candidates. As it is he will have to disappoint a great many who have begged for an opportunity to put on the padded gloves.

It is a disappointment in a way, for the 10-round go between Potts and Williams on October 9 and the 15 rounds on Thanksgiving Day were two of the best exhibitions of the manly art of self-defense ever seen at Lelehu.

Good Bouts Planned.  
In spite of this setback Chaplain Fealy guarantees a rattling good entertainment on January 1, and Bob Fleishman of G Troop, 4th Cavalry, is to go on with Williams in Potts' place for at least 10 rounds. Fleishman ranks next to Rufus in popularity at Schofield and has received a big ovation every time he has stepped into the ring. He has for a long time been itching to match up with Williams.

Rufus Williams stated last night that he was not surprised that Potts desired to cancel the engagement, as he had gained a wholesome regard for the battering ram attached to his left shoulder. He is willing to meet Potts for any number of rounds and under any conditions that will comply with the law. Chaplain Fealy has furnished punching bags, gloves, shoes and other equipment to those who take part in the boxing entertainments, and has paid all legitimate training expenses, but not one cent for purses. Those who have come up from Fort Shafter have received in addition automobile transportation for themselves, their seconds and their friends.

"We have got to comply strictly with the law," said Chaplain Fealy, "otherwise we will have to give up these most popular entertainments, and I find there are plenty of good men who are anxious to climb in the ring for four or more rounds, just for the sport in the game and for the pleasure they give their many friends and admirers who flock to the ring-side."

Touchdowns—Boughan, Snyder, Tryzyske, Brash. Goal from touchdowns—Greenway 1, Snyder 2.

## To Race Miss Cowells

Miss Ruth Stacker, who has been picked by many as the winner of the women's races during February, when Miss Frances Cowells comes here to compete in the swimming events. Miss Stacker has made the 50-yard dash in 31 seconds, which is the best mark made by any girl swimmer in Honolulu. With Miss Stacker and Miss Lucille Legros, Honolulu should be well fortified against an invasion.

## 159TH COMPANY WINS ANOTHER MATCH SUNDAY

An aggregation of star ball-tossers representing K Company of the 1st Infantry failed in their attempt to check the winning streak of the crack 159th Company, C. A. C., team at Ruger Sunday afternoon when they went down to defeat to the tune of 11 to 3. After learning that the 159th Company had won 22 straight games, the K Company management decided that that was enough and the coast boys must be stopped from getting further into the limelight.

Company K's abili should be based on the day being too chilly or on being tired from the auto ride from Schofield to Ruger but no doubt the direct cause for their defeat was the fact that 17 of the 32 batsmen who faced South retired after taking three hearty whiffs at the pill. They succeeded in gathering two hits, one in the first inning and one in the sixth.

Hollerbach's offerings were mostly "slow ones" which the "Coasters" must have found to their liking as they landed nine hits, two of them going for two bases each and one for the entire round trip.

The game was well played except when the "doughboys" blew up in the ninth, making four errors, causing five runs to cross the plate.

## Capt. Lincoln Wins Aquatic Golf Contest

Because Capt. C. S. Lincoln developed his trudgeon stroke to perfection yesterday afternoon, the other contestants in the race for the president's trophy at the Golf Club were outdistanced. The course was in poor condition for golf and was not quite damp enough for swimming and the fact that the upper course was like a sea, made low scoring impossible except for Capt. Lincoln, who took to the water like a duck.

Capt. Lincoln battled with the white pellet and J. Flavin and when he had rounded the 36th buoy he had made a score of 186, which is quite a marine record. In his first 18 he annexed an 80, which was remarkable golf for the condition of the course. C. G. Bockus was second with a score that will never be known. Rounding the third buoy in the last round he made the buoy in an easy 12 and in his excitement the card was lost and floated away on the tide.

Maj. T. N. Horn and Lieut. Col. A. Campbell showed a poor knowledge of aquatics and consequently their scores were high. Poor diving on the part of Mr. Bockus lost him a chance to win. He made the remarkable low score of 27 for the ninth and tenth holes showing that he was strictly up to date, but the fact that his midiron went to the bottom and could not be recovered, practically lost him the match according to the critics at the 19th hole.

Honolulu officers proved to be the best mudders in the contest with the Schofield contingent at the Oahu Country Club on Saturday, and the octette from the city won out by a score of 13 to 8. The results of Saturday's aquatic events are as follows:

## SPECIAL RATES MADE FOR MAUI RACE EVENTS AT KAHULUI NEW YEARS

Reduced round-trip excursion rates from Honolulu to Kahului and return were announced today by the Inter-Island Steam Navigation Company, Ltd., to take effect December 31, on account of the New Year's Day races on Maui.

The Kilauea, having accommodations for 220 passengers, will carry the excursionists to Kahului for a round-trip first-cabin fare of \$10, 45 less than the regular rate. The deck fare is \$5, as usual. Tickets at the reduced rate went on sale today.

Unless a sufficient number of tickets are sold down to the night of December 28, the excursion will not be run and those wishing to attend the Maui races will have to pay the regular round-trip first-cabin rate of \$14. The Kilauea will leave here at 11 o'clock the night of December 31, arriving in Kahului early New Year's morning. The return trip will be made leaving Kahului at 11 o'clock the night of January 2, arriving in Honolulu again Monday morning, January 3.

## Prominent Sportsman Dies.

NEW YORK—Peter de Lacy, prominent for a generation in sporting circles and known in the days of unrestricted race track betting as the "pool room king," died in a local hospital at the age of 71 from pneumonia.

James Mullrany, until recently a nurse at Bellevue Hospital, New York, was arrested at Bangor, Me., at the request of Chief Feurto of the New York city detective bureau, where there is a charge of grand larceny against him.

## MISS STACKER FAVORITE FOR 50 YARD SWIM

Local Swimmer Will Compete  
Against Frances Cowells  
in February

Now that it has been assured that Miss Frances Cowells will come here for the Carnival the topic of discussion among the young ladies and among the swimming enthusiasts has entrants in the women's event, among the fair sex. Miss Cowells has been in the swimming limelight for some time, and her popularity on the coast is well known.

Honolulu will have a number of entrants in the women's event, among them Miss Ruth Stacker, who holds the 440 A. A. U. record and who also has made the best time in the 50-yard dash for women; Miss Lucille Legros, who has made the 50 in 32.5, and the 220 yards in 3:34.3, and Miss Bernice Lane, who has made a number of good marks in the various events.

Local swimming enthusiasts state that Miss Stacker should win from Miss Cowells when they meet in February, and although the coast papers are picking Miss Cowells to defeat the Honolulu entries, those who have watched the work of the local swimmers are confident that Honolulu will finish in front. Miss Stacker has made 31 and 31.15 in two different races, which proves that she has been consistent, and although the mainland girl has made a good record, it is doubtful whether she will be able to smash these marks.

It is unfortunate that the committee was unable to secure Olga Dorfner, the Philadelphia wizard, who has been breaking marks right and left in eastern meets. Miss Dorfner has made the 50 in 30 flat, which is one second faster than the best time made here by Miss Stacker. Either Miss Stacker or Miss Legros would give the Philadelphia aquatic star a race in the sprints. Miss Legros has followed close behind Miss Stacker and has always given the latter a good race.

Philadelphia is coming into the limelight as a swimming center, and the showing made by Miss Dorfner has made her the idol of the Quaker City people. Her record in the swims has been unusually good.

Although conceding starts all the way up to 40 seconds in an 80-yard ladies' handicap swim, Olga Dorfner, at Philadelphia, the night of November 28, covered the distance from scratch in the remarkably fast time of 54.15 seconds. There seems to be no limit to the speed of the Philadelphia woman champion, as her recent performances show, for on November 28, 1914, she beat the best American women's record of 55.25 seconds for 80 yards, made by Elba Whitaker at Milwaukee, on July 27, 1905, and on May 5, 1915, she improved this record by covering the distance in 55.15 seconds, and her last race shows she can go even faster.

Elizabeth Becker, a 13-year-old girl, who is also coming on very rapidly, covered 60 yards in the fast time of 41.25 seconds, Catherine Toy doing 51 seconds and Freda Katz 55 seconds. In the same race little Dorothy Klump, 8 years of age, was given the limit start and she astonished the spectators by finishing the distance on the over-arm side stroke in 1 minute 22 seconds. In the ladies' 80-yard trial heats, R. Rothner won the first trial in 1:42. Miss Marion Herbert took the second event in 1:36 and Irene McCauley won the third heat in 1:24.25.
